--

**WITHDRAWAL OF ITS FILING OF STATEMENT UNDER 37 C.F.R. § 3.73(b),
BY ASSIGNEE OF OMITTED INVENTOR,
TO ESTABLISH RIGHT OF PARTIAL ASSIGNEE TO TAKE ACTION
AND
SUBMISSION OF INFORMATION DISCLOSURE STATEMENT**

Biocell, L.P. files this its Withdrawal of its Filing of Statement Under 37 C.F.R. § 3.73(b), By Assignee of Omitted Inventor, To Establish Right of Partial Assignee to Take Action and Submission of Information Disclosure Statement.

On December 29, 2004, Biocell, L.P. filed in this Application a document entitled "Filing of Statement Under 37 C.F.R. § 3.73(b), By Assignee of Omitted Inventor, To Establish Right of Partial Assignee to Take Action and Submission of Information Disclosure Statement" (hereinafter referred to as the "Biocell Filing"). As alleged in the Biocell Filing, Biocell, L.P. contested whether Mr. Gary Dodd was an "omitted inventor" and that, pursuant to an assignment

from Mr. Dodd, Biocell, L.P. possessed an ownership interest in this Application. However, the court litigation referenced in the Biocell Filing has been resolved, and Biocell, L.P. no longer contests either the inventorship or ownership of the subject matter or claims of this Application as originally filed or that Mr. Dodd was not an omitted inventor of this Application.

In light of the foregoing, Biocell, L.P. respectfully requests that the Biocell Filing be withdrawn. Accordingly, Biocell, L.P. submits that it is unnecessary for the Office of Patent Legal Administration to resolve any ownership question with respect to this Application and that no correspondence regarding this application be sent to Biocell or its representatives.

Respectfully submitted,

Date: _____
